

ADVERTISEMENT FOR BIDS

CITY OF CARROLLTON SANDHILL SANITARY SEWER OUTFALL AND FORCE MAIN

City of Carrollton
Carrollton, Georgia

The City of Carrollton (the "City") is soliciting sealed bids for furnishing all materials (except as specified below and in Specification Sections 01010 and 01020), labor, tools, equipment and appurtenances necessary for the construction of the **Sandhill Sanitary Sewer Outfall and Force Main**. Bids will be received by the City at the Carrollton City Hall Second Floor Conference Room, located at 315 Bradley Street, Carrollton, Georgia 30117, until 10:00 a.m., local time, on Thursday, December 4, 2008, and then at said office publicly opened and read aloud.

A Pre-Bid Conference will be held for all Bidders at 10:00 a.m., local time, on Thursday, November 13, 2008, by the City at the Carrollton City Hall Second Floor Conference Room, located at 315 Bradley Street, Carrollton, Georgia 30117. Interested Bidders are encouraged to attend.

The City shall furnish and the Contractor shall install all ductile iron pipe associated with this outfall. The Contractor shall furnish and install all other materials as necessary for a complete project that is consistent with design intent.

The Project will be bid as two Divisions.

Division 1 consists of:

Constructing an 8-inch and 12-inch gravity sewer outfall including all appurtenances along the Old Georgia Highway 61 corridor as shown on the Contract Drawings. The total linear feet of said outfall is approximately 2,294 linear feet of 8-inch DIP and 1,176 linear feet of 12-inch DIP.

Division 2 consists of:

Constructing a 6-inch sanitary sewer force main including all appurtenances along the Old Georgia Highway 61 and Georgia Highway 61 corridor as shown on the Contract Drawings. The total linear feet of said force main is approximately 8,785 linear feet of 6-inch DIP.

The Instructions to Bidders, Bid Form, Contract Agreement, Drawings, Specifications, forms of Bid Bond, Performance Bond, Payment Bond and other Contract Documents may be examined at the following:

Copies of the Contract Documents may be obtained at the above listed location upon payment of \$300.00, non-refundable, for each set. No partial sets will be sold. Shipment will be via delivery service – two-day delivery. Other shipping will be at the purchaser's additional expense. Street address must be provided to allow delivery.

By purchasing the Contract Documents, purchaser agrees to allow their company information to be released to the public as a "planholder." Copies of the planholders list and bid results will be made available upon request, in accordance with the Georgia Open Records Act, O.C.G.A. § 50-18-70, et seq.

All bids shall be delivered to the City at the Carrollton City Hall, 315 Bradley Street, Carrollton, Georgia 30117, by the time and date specified above. Bids shall be submitted, sealed and mailed or hand delivered and shall be received no later than the above time and date.

Each Bid must be accompanied by a Bid Bond duly executed by the Bidder as principal and having as surety thereon a surety company licensed to do business in the State of Georgia and listed in the latest issue of U.S. Treasury Circular 570, in the amount of five percent of the Bid. Bidders may submit a letter of credit, issued by a local bank, or a certified check in lieu of Bid Bond. Personal checks are not acceptable.

The Bidder shall affix his Georgia Utility Contractor License Number to the outside of the bid envelope, neither a Utility Managers License nor a subcontractor's Georgia Utility Contractor License Number is acceptable.

The successful Bidder for this Contract will be required to furnish a satisfactory Performance Bond and Payment Bond each in the amount of 100 percent of the Bid.

The City reserves the right to reject any or all Bids, in whole or in part, with or without cause. The City reserves the right to waive technicalities and informalities in the Advertisement for Bids and Contract Documents and/or the Bids received.

Award shall only be made to a Contractor who in the opinion of the City, at its sole discretion, is qualified to perform a project of this size and complexity. Qualification shall be based on the following factors and experience: the installation of gravity sewer line of 12" diameter or greater and 4,000' in length or greater; the installation of ductile iron sewer pipe within State Right-of-ways; the installation of mid to large diameter pipeline with the crossing of multiple parcels of private property; and, the installation of pipeline through high quality landscaping and the restoration thereof. The qualified Contractor shall further demonstrate the size and numbers of crews available to perform a project of this size in the time specified.

For questions concerning this project, please contact either Tommy J. Holland, P.E., City Engineer or Timothy C. Grizzard, P.E., Assistant City Manager.
